

Welcome to our Kehillot

The Masorti (Conservative) Movement in Israel's overall goal is to promote and strengthen a religious, communal and spiritual Jewish approach, combining faithfulness to Judaism, Zionism and Democracy, which will play a leading role in Israeli society, contributing to *Klal Yisrael*.

The Masorti *kehillot* (congregations) are the principal vehicle of the Masorti Movement for achieving this goal. Proudly flying the flag of pluralistic and inclusive Judaism in some fifty centers throughout the country, the members, services and activities of the *kehillot* bring the message of Masorti Judaism to the wider community in which they are located.

Kehillat Moreshet Avraham, Jerusalem

Masorti *kehillot* uniquely present traditional Jewish values in programs that transcend Shabbat and holiday services. Unlike most Israeli synagogues, Masorti congregations offer a broad range of social and educational programs with Jewish content for members and the wider community, from pre-schoolers to senior citizens. Programming includes lectures, study groups, family education and holiday celebrations. Masorti Rabbis, together with the Movement's Religious Affairs Bureau, provide for life-cycle events, such as circumcisions, Bar/Bat Mitzvahs, weddings and burials.

Rabbi Michael Graetz,
Kehillat Magen Avraham, Omer

Our *kehillot* range from fully-fledged communities with their own synagogue building, regular services, weekly study programs and other communal activities, to small *havurot* that meet in private homes or public bomb shelters. The Movement places great importance on the development of existing and new *kehillot*.

When you are in Israel, the Masorti Movement invites you to contact a *kehillah* near to where you are staying. You will be warmly embraced by our *kehillah*! Use the list on the other side to locate our *kehillot*.
